Dear Martha & Family:

Naturally I have been thinking about you and wishing I could be at the Funeral Home with you. I have no regrets since I did all I could for your father this summer and there is nothing more I can do now. I know your in-laws will rally around you with sympathy and help as they did when Cora left us.

I feel that Everette was given all the care that was possible under the circumstances, and I know he was no comfort to himself and was ready to go. However, I feel sad today and will be thinking about you all day tomorrow.

I know how busy you have been since Friday and will be this coming week. Write me and send the paper clippings when

you can.

These are sad times for you,
and I sympathize - but we
both know it is better.

Love, Aunt Lulu.

*The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
 He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
 paths of righteousness for His name's sake.
Yea, though I walk through the valley of
 the shadow of death, I will fear no evil:
 for thou art with me; Thy rod and
 thy staff they comfort me.
Thou preparest a table before me in the presence
 of mine enemies: thou anointest my head
 with oil; my cup runneth over.
Surely goodness and mercy shall follow me
 all the days of my life and I will
 dwell in the house of the Lord forever.*

Dear Martha Jane,

I wish to extend my sympathy to you at this time. Sorry I didn't get up to the funeral home to talk to you - I know what it means to see old friends. Your parents were both an inspiration to me as I grew up and have been in the church. All the years they were able, they were so faithful to attend all services. I'm sure your family will be a big help to you in these

Tues AM

Dear Martha & all of you:-

Just a few lines to express my sympathy
and thank you for the lovely
flowers. I see the glads are ruffled.
I used to raise them in my
garden different colors other flowers
too from seed. I had no luck
with house plants.

I know you will miss your
father and the children their
grandpa. But those times of sorrow
do come. My father died Aug 8 1907
and mother Mar 10 1926. Then I
was alone nearly 2 yrs till Adam
and I married. That was on the
home place in Lago Twp 5 mi
from where I lived before I came here.
where I am comfortable but unhappy
I can tell you so much when you
come. One never knows whensome
one you knew years ago will turn
up here. At Stratford I talked with
Mark Devine who was our mail
man on Lago PR 1. He has 8 children

2

Then last week Mrs. Florence
McVicker came into my room
and we got to talking one thing
led to another and I asked her
"was your name Lake?" she said
yes. There were 10 of those kids
9 girls 1 boy. They used to visit their
great uncle and aunt Mr. &
Mrs. John Tull who lived
across the road from my home
place and we played together
I was 9 then. Florence lives
in a trailer here I look forward
to visits with her. Also in a ~~the~~
trailer is a retired nurse a R.N.
member of the church I used to
attend. During the long nights
the memories come back.
I can't expect you as often as
when you visited your father but
you may teach in town sometimes
and I am always so glad to see
you. There are nice people here but
home folks come first. Another
gloomy day. Love & best wishes Nora.

- THE FRIENDS CHURCH -

Frequently called the "Society of Friends" or "Quakers" maintain the conviction they are the stewards of a "peculiar trust". Beginning as an Evangelistic movement in England in the seventeenth century, they have been distinguished by their Spiritual interpretation of Christian experience and Truth, without the practice of the forms and rituals, believing "Ye are complete in Him," (Jesus) and He "Blotting out the handwriting of ordinances that was against us, which were contrary to us, took it out of the way, nailing it to His cross," Colossians 2:10, 14.

Friends believe in the Fatherhood of God; the Blood atonement for sin; the inspiration of the Bible; the gift of the Holy Spirit; the resurrection of the body and the eminent Second Coming of Jesus Christ. They believe in the essential of the New Birth, and the Baptism of the Holy Spirit. Also that Communion is Spiritual, and not an occasional event requiring the use of symbols, but a constant and continuing experience that becomes a vital part of the Christian life.

Friends believe in the High Priesthood of Jesus Christ, and the individual Priesthood of every believer, and the church becomes a medium for our Worship, Fellowship and labours, and exhort all to take advantage, as Paul wrote in Hebrews 10:25 "Not forsaking the assembling of yourselves together, as the matter of some is, but exhorting one another and so much the more as ye see the day approaching".

Friends emphasize the alleviation of human suffering and believe war is incompatible with the Christian testimony, and seek methods to promote peaceful settlement of all differences between men and nations.

We extend an invitation to consider our belief, and to associate with us in our endeavours to make our Witness vital, in the practical Christian undertakings in our community and around the world. Jesus said: "Ye are my Friends, if ye do whatsoever I command you." John 15:14.

MRS EVERETT STOUFFER

Funeral services for Mrs. Everett Stouffer were held Friday afternoon in the Hoover-Miner Funeral Home Chapel with the Rev. Paul Todd and the Rev. George Minnicus officiating. Burial was in Friends Cemetery.

Mrs. Donald S. Brown was the organist.

Pallbearers were Loren Jenkins, Clifford Zinn, Donald Stouffer, Lloyd Davis, Lloyd Miller and Homer Cecil.
