# SCHOLARSHIP

Nothing else can give the quiet satisfaction that comes from the knowledge of a job well done. In high school our job is to study. Attentiveness in class, studying in class when we have a chance and some outside study--these make for scholarship.

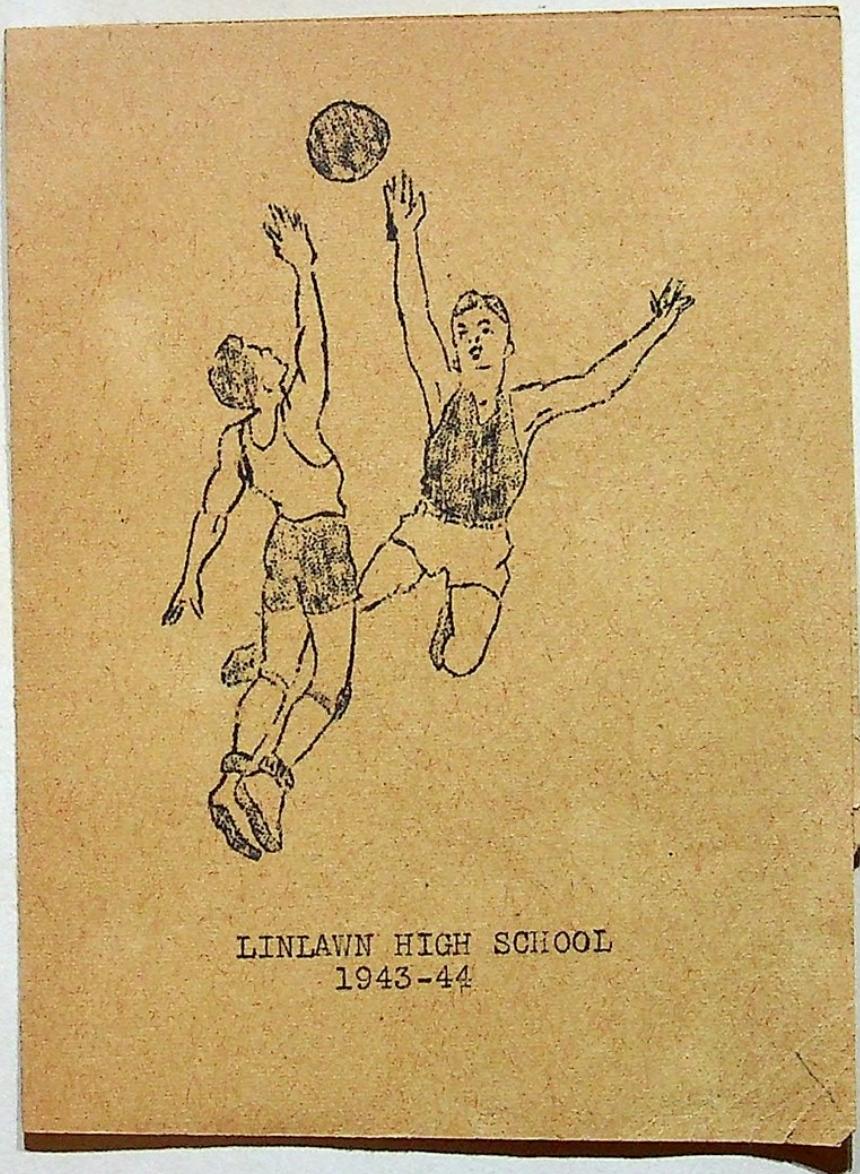

Sometimes we wonder if the coveted "A" is really worth the effort. But believing that our success tomorrow depends upon the efforts we put forth today, we dedicate our time and ability to persistent work, that our lives may become further broadened and enriched through scholarship.

11

# To some it also signifies SPORTSMANSHIP

The whistle blows--the game starts--and whether it is dribbling down the basketball court, knocking a home run or merely cheering from the bleachers, a lusty school spirit is always present to spur the team on to greater success.

By these things we signify our desire to support the team in both times of triumph and defeat, for we believe there is no defeat as long as the true spirit of sportsmanship is present.

# FRIENDLINESS

Linlawn's class in friendliness meets where ever its students are--in the halls, around the fountains, and in the class rooms.

No course in school has a larger enrollment than "friendliness". Results of a class are measured individually by the quantity and quality of friendship undertaken. Life time memories and everlasting friends are invaluable by-products of Linlawn's friendliness.

# Zinken's CLASSES

An education--that intangible, elusive something that we all wish to be possessor of upon graduation from high school--is, of course, what we get out of our studies.

Life in the classroom may be a struggle; it may be a delight; it may be a challenge; or it may be the bridge between the book and the brain. The constant matching of wits and opinions provides knowledge and sometimes entertainment.

## SENIOR CLASS

PLAY TOE  
LUG OXFORD

At some time or other we have all wished that we could make history. Well, at last we are making our wish come true. It isn't from inventing or finding something, but it is history. It took a lot of hard work and time to accomplish this, but it was worth it.

We have all heard boys and girls say, "I sure will be glad when school's out" or "Golly how I hate school" or some other saying. Maybe you said it when you were in school, but deep down in your heart you really didn't mean it. Neither do the pupils in school today.

But wait, I must not forget that I am writing for our readers a history of our Senior Class of Linlawn High School.

1933 was the first year of school for us. We were timid and bashful at first, but it didn't take long before we were pulling each others hair and laughing together.

There were only five in our class that year that are finishing school in 1944. They are Bob Stouffer, Burnell Barnett, Thomas Bever, Martha Jane Stouffer, and Marjorie Emrick. Everyone had a new pencil box and strived to get a gold star for spelling. The teacher was Miss Pauline Churchill.

1934 saw the same five students and three new ones entering the second grade from Rich Valley. They were Charlotte Barnett, Vernon Waymire, and Joan Martin. They had a nice time getting acquainted and everything went along smoothly. Miss Stoops taught this year.

In 1935 we entered the third grade. We were glad to add another member to our class. He was Robert Metzger from Somerset. Miss Gurtner was the teacher.

1936 saw us in the fourth grade. We all liked the idea of having our class room upstairs. Helen Hunt joined our class this year. She was from Lagro. Miss Small was our instructor.

In 1937 we entered the fifth grade. Miss Scotten was our teacher.

1938 saw us in the sixth grade. We all felt pretty big since we were the oldest pupils at the grade school building. We all looked forward to the time when we would enter Junior High School. Our teacher this year was Mr. Tinkle.

## Miss Carol Sutton Burnell Barnett United in Marriage

The marriage of Miss Carol Sutton, daughter of Mr. and Mrs. Sam Sutton, LaFontaine, and Burnell Barnett, son of Mr. and Mrs. John Barnett, Wabash R. R. 2 occurred Christmas Eve in the parsonage of the Middle Street Methodist church.

The Rev. G. Ben Hershberger read the double ring ceremony at 7 o'clock.

The bride wore a dress of pink wool made with cap sleeves and a gathered peplum. It was accented with a black belt and black accessories and her corsage an orchid.

The attendants were Mr. and Mrs. George Whistler, Roann. Mrs. Whistler wore a light blue crepe dress with the cap shoulders made of self material lattice trimming. Her dress was complemented with brown accessories and a corsage of pink roses.

A wedding breakfast was enjoyed Thursday in the home of the bride's parents and Mr. and Mrs. Barnett left Friday with Mr. and Mrs. Whistler on a two-weeks' trip to California.

Upon their return they will reside with the bridegroom's parents for the present.

Mrs. Barnett was graduated from LaFontaine High school in 1946 and has been employed as a cashier in the A. and P. store.

Mr. Barnett was graduated from Linlawn High school in 1944 and is engaged in farming.

had a nice time along smoothly.

In 1935 we add another member from Somerset.

# Thousands Attend Services for Dr. J. R. Schutz

North Manchester, April 2.—Funeral services were held on Sunday afternoon for Dr. J. Raymond Schutz, whose sudden death occurred on Thursday morning, in the First Brethren church where he had been pastor for the past 25 years. The body was taken from the home to the church where it laid in state from 12 until 3 o'clock on Sunday afternoon. During this time the organ was played by the following musicians Max Allen, Betty Marie Schultz, Mrs. Devon Olinger, Naomi Whitacre and Dorothy Hershberger. It was estimated that approximately 3,000 people viewed the body and an amplifying system was used in order that the many people who had to stand out of doors during the funeral might hear the services.

The front of the church was banked with many flowers and at the head of the casket was a basket of six dozen red roses given by the congregation of the First Brethren church, North Manchester.

The service was opened by a song "Lead Kindly Light" by a quartet from Berne, consisting of C. T. Habegger, Carl E. Luginbill, Arley Habegger and Emerson Neuenschwander. The Rev. Bert Hodge, Flora, then gave the devotions; Prof. Paul Halliday sang "God Shall Wipe Away the Tears." Three tributes were paid to Dr. Schutz by the Rev. Homer Ogle on behalf of the Local Ministerial association; Dr. R. H. Miller on behalf of Manchester college and by O. E. Peterson, Chicago, secretary of Kiwanis International. The quartet then sang "Heaven Is My Home." The sermon was given by the Rev. Mr. Clingensmith, Ashland, O., chairman of the Mission board of the First Brethren churches. The services were closed by prayer by the Rev. Wayne Swihart, Burlington.

The out of town ministers and the local ministers each sat in a group on the platform and the Kiwanis members also sat in a group.

Thursday in his home here of a heart attack.

Dr. Schutz had made three talks Wednesday, two in Fort Wayne in connection with preparations for the Seventh War Loan drive, as well as a Holy Week sermon at the First Brethren church, and afterward told members of his family that he did not feel well because of pain in his chest. He declined, however, to call a doctor, saying he thought he would feel better after the night's rest. He had been afflicted with high blood pressure. During the night Mrs. Schutz awoke to hear him struggling briefly as he died.

He was recognized as one of the most forceful and noted lecturers in the middle west, having made a total of 12,000 addresses, including 1,000 commencement talks, during his career.

The community was shocked at the loss of its most prominent citizen and many utterances of sorrow were heard.

The community was shocked at the loss of its most prominent citizen and many utterances of sorrow were heard.

He was born Aug. 3, 1890, at Pandora, O., the son of Albert and Sarah (Bixler) Schutz, was graduated from the Pandora High school in 1910, obtained his A. B. degree in 1914 at Otterbein college and served as principal of the Pandora High school from 1914-1918.

**Long Department Head**  
Dr. Schutz did graduate study at the University of California in 1915, worked on his A. M. degree at the University of Chicago during 1918-19, during which he also was director of religious education at the Hyde Park Baptist church, and in 1919 went to Manchester college, where he became the head of the social science department, a position he held until 1914. Although retiring as active head of the department, Dr. Schutz continued his connection with the college as a lecturer, and was scheduled to have given a talk at chapel there this week.

He also did graduate study at Yale Divinity school in 1923-24 and made three trips to Europe in 1924, 1926 and 1929 when he continued his studies at the University of Geneva, Switzerland, and Oxford university, England.

Dr. Schutz became pastor of the First Brethren church in 1920 and only recently received a bouquet of roses from the members of his congregation in commemoration of his twenty-fifth anniversary of preaching.

In his busy life, Dr. Schutz also found time to engage in many civic and service projects. He was governor of the Indiana district of Kiwanis in 1929, was a past-president of the North Manchester Kiwanis club, and was a member of the board of directors of Kiwanis International from 1941-44. From 1930-38 he was president of the Indiana Council of Religious Education.

Politically Dr. Schutz was a Republican, and in 1932 was the nominee for Congress in the fifth district, losing in the landslide election to the late Glen Griswold, Peru.

Dr. Schutz became president of the Standard Life Insurance company of Indiana, Indianapolis, in 1937 and held this important position until 1944. Since that time, he had been

## JUNIOR CLASS

The Junior Class consisted of ten boys and ten girls on the opening day of school last fall. Three of this group were new students. Bob Jackson came from Rochester, Indiana, Ralph Miley from Westallis, Wisconsin, and Dick Unger from Chippewa. Dick dropped out during the second semester.

The big problem that confronts the Juniors every year is that of raising money for the annual Junior-Senior Banquet. Three methods: (1) Scrap paper drive (2) Junior play and (3) Sale of ice cream were decided upon to raise money for this event.

Two scrap paper drives were made--one in each semester. The drives netted some 4,400 pounds of paper which proved both patriotic and profitable. Ice cream was sold during the noon hour at school and at the home basketball games. This also proved successful as the final tally showed we had sold 7920 bars of ice cream.

The year wasn't all work and no play as we had our class party the night of February 1 in the Domestic Science room. The evening was spent playing games and ended with refreshments. Everyone agreed it was the most enjoyable party they have had in High School.

The class was represented on the baseball team by Gene Custer, Jack Thompson, Tom Waymire, and Dick Early. Gene, Jack, Dick, and Dean Harwood were also on the A Basketball squad. Tom was on the B team.

This winds up the Junior history for the school year of 1943-44. We all have enjoyed the year and are looking forward to being the "Seniors of 45."

## Brethren Church

### Scene of Wedding

The First Brethren church, North Manchester, was the scene Friday night of the wedding of Miss Rosann Heeter, daughter of Mr. and Mrs. Dale Heeter, Urbana R. R. 1, and Gene Custer, son of Mr. and Mrs. Clarence Custer, Wabash R. R. 4.

The altar was banked with palms in which were placed candleabra and arrangements of white and yellow chrysanthemums. The seats were marked with ribbons and sprays of flowers.

Preceding the double ring ceremony, read by the Rev. Bert Hodge, a musical program was presented by Miss Charlotte Schultz, organist, and Miss Lois Ann Walters, vocalist. The organ numbers included "Ave Maria," "To a Wild Rose," "Trees," "Love's Greeting," and "O Perfect Love." The vocal numbers were "Because," "Through the Years," and "The Lord's Prayer."

A white satin gown was chosen by the bride who was given in marriage by her father. The bodice, fastened down the back with tiny buttons, was made with a high neckline and long pointed sleeves. A peplum topped the full gathered skirt which fell into a long train. Her veil of imported illusion was edged with Alencon lace. She carried a lavender throated orchid on a white Bible tied with white ribbons. She wore strand of pearls, the gift of the bridegroom.

Miss Leila Bechtold, North Manchester, the maid of honor, was attired in a lavender satin gown fashioned similar to that worn by the bride but with short sleeves. She wore matching long mitts and a garland of baby mums in her hair. Her bouquet was also of matching chrysanthemums.

Miss Mary Rose Harrison, North Manchester, cousin of the bride, and Miss Frances Custer, sister of the bridegroom, were the bridesmaids and wore dresses like Miss Bechtold's, with Miss Harrison in yellow satin and Miss Custer in green satin. They also wore long mitts matching their gowns, garlands of blending mums in their hair and carried matching bouquets.

Their gold necklaces were gifts of the bride.

The rings were carried on heart-shaped white satin pillows by Melanie Custer, niece of the bridegroom, and Hobart Oney, Jr. Melanie wore a floor length peach dress and matching mums in her hair.

I missed it in the newspaper but my neighbor told me. Mary (Gardner) Barnes her son passed away about the 4th and buried the 7th. He was diagnosed when he was 9 years old for muscular dysphasia and he was 44 when he passed away. He had a trache and a feeding tube and on life support. As I understand it is that he asked for the life support to be taken off.

She also has a girl that was diagnosed with it when she was about 15. I don't know what her status is. There Father also had it.

Who is it that is always there to help cheer our teams to victory? What group really believes in having swell parties? What bunch is always seen together having a good time? The Sophomores, of course!!!

There are twenty-five students in the class-----eleven boys and fourteen girls. We were glad to welcome Betty Bloxson, Ronald Sommers, Doris Baublet and Kathryn Sailors into our class this year and are sorry to lose Theresa Scheffer and also Betty Bloxson. Eleven of us started to school together in the first grade in 1934.

These boys have come through this year with 15 victories and only 3 defeats.

We hope we have contributed our 25% as a part of Linlawn High School and are looking forward to being the next Juniors.

The Freshmen Class--the Class of 1947, has always been short in quantity but long on quality.

Starting with nineteen members of last year's class we were privileged to add eight new students during the year. Unfortunately three of our students have left -- Junior Huddleston, Clarence Green, and Norman Leiter. Those that came to our group were: Chris Demos, RoseAnn Holmes, Leon Cline, Phillip Ellis, Phyllis Pakuszewski, Clarence Green, and Earl Turner.

The freshmen basketball team has won three out of four games. The boys playing on the team were Grayston Campbell, Earl Turner, Donald Wilson, Dean Coldren, Beach Whitaker and Phillip Ellis. Earl Turner and Grayston Campbell played regularly on the second squad throughout the season.

A class party was held at the school building December 15. Roller skating was the chief entertainment and was enjoyed by all--including Mr. Bechtold, our class sponsor.

We have enjoyed our first year of high school and are looking forward with pleasure to the years ahead.

Our first year of Junior High School has been a very pleasant one. If this is a sample of the upper grades, Linlawn High School--here we come!

# Linlawn's ACTIVITIES

Up, up i my friend, and quit your books, for Linlawn provides many activities that keep us interested, entertained, balanced, and satisfied.

So for the time being, we disregard formality, forget our worries, and attempt to have some--- just plain fun.

4 H Clubs, Concert Band, plays, intra mural sports, pep-sessions, etc. --- every type person can find some activity in which he may participate. The thrill of going to a basketball game (Linlawn-Wabash), the excitement of going to committee meetings for our clubs, the fun of roller skating--- all these will remain in our memory of years spent at Linlawn.

## S U C C E S S

Success is not to be measured as many think, by the amount of wealth we are able to store away for the satisfaction of our selfish purposes. It should not be judged by what people think we are. It can only be found when one has attained a state of happiness. True happiness is unselfish, it is founded on love and service for others. A hundred years ago Horace Mann said, "Be ashamed to die until you have rendered a service to humanity," so if you would be happy, serve, with your time, your ability and untiring effort.

To serve to the utmost capacity one should develop a four-square personality. One side consists of the physical side of mankind. Clean living and good health habits are essential to you and your posterity. A second side consists of the mental development. Not all are endowed with the same ability, but with courage and perseverance, it is our duty to do our best. A third side consists of the spiritual, a belief in God and a life of Christian service. Lastly, people are fundamentally social beings, working and playing with others with a spirit of give and take. We cultivate friendships of lasting worth, a joy to both parties who enjoy it. True friendship is not selfish, we think not of ourselves but of the service we can render our friends. It is like a lovely flower growing along life's highway. Do not soil a tender petal or it will fade and soon decay. It is rooted deep in soil of kindness moistened oft with Heaven's dew. Choose friends on a higher level than yourself, that you may be uplifted morally and spiritually.

What is success? It is the happiness which we derive from living the four-square life, a strong physical body, a well-trained mind, the development of the soul through Christian service and worship, and the training of a personality to get along with others in a spirit of friendship; always keeping uppermost in mind the thought "Not what I can get, but what I can give; a life of service for others I'll live. If I can do this, I'm sure you'll confess, that I'm entitled to be called a success."

## A N N U A L S T A F F

At the beginning of the year it was rather uncertain whether we would have an annual, but it was finally decided to publish a "Victory" edition. It was impossible to get enough pictures for all the annuals so each student purchased his own.

The staff hopes that this Treasure Chest may keep many memories in your mind of days spent at Linlawn.

The staff members are as follows:

Martha Jane Stouffer	Editor-in-chief
Charlotte Barnett	Assistant Editor
Bob Stouffer	Business Manager
Thomas Bever	Assistant Manager
Helen Hunt	Art Editor
Burnell Barnett	Stencil Editor
Marjorie Emrick	Literary Editor
Joan Martin	Assistant Literary Editor
Vernon Waymire	Sports Editor
Bonnie Reed	Wit and Humor

## L A N T E R N S T A F F

The LANTERN got on a firm financial bases at the beginning of the year by taking subscriptions at 15 cents per student. It was necessary to charge this small fee because of the expenses involved in publishing. We are sure that no one regrets having to pay such a trifle for the LANTERN!

This year we started a new, but very worthy practice; sending the LANTERN to our Alumni in the Service. We are sure it boosts their moral, and it also keeps them up-to-date on LINLAWN activities. We feel that this is a worthwhile practice, and we hope it is continued in the future.

The STAFF has worked very hard this year, striving to reach that goal of "Printing The Best LANTERN Yet!" This would have been impossible without the cooperation of the student body and faculty.

## B A N D

Here comes the band! Yes, the band really has come up this year. We now have 52 members, besides those just beginning on their instruments. Last year our band was good, but this year it's even better.

Besides playing at practically all the home basketball games and numerous other school activities, the band held two concerts. The first, held on December 22, was a Christmas concert. Here the Junior twirlers made their first appearance. Our spring concert was held in the high school gym on March 24.

This year a new "Merit system" has been inaugurated. Under this each student receives a certain number of points for such things as practicing, playing at concerts, pep sessions and ball games or listening to approved music programs.

The band entered a contest held at North Side, Fort Wayne on April 22. This year the participants included bands from all over the state.

Several instrumental quartets, trios, and sextets were organized to improve the quality of playing.

Among the instruments we have added to our band are a bass viol, a bass clarinet, a piccolo, a bass, and a tympani.

Undoubtedly the achievements of our band have been largely due to the perseverance (and endurance) of our director, Lewis G. Habegger.

## C H O R U S

There's a song in the air! Chorus got under way the second semester this year with a total of 30.

Under the able direction of Lewis G. Habegger we worked up several selections for Baccalaureate. We did not have an operetta this year.

In spite of the fact that the graduating class of the past year included almost all our star singers the chorus was quite successful.

## L I B R A R Y

The library has been going strong this year under Mrs. Barnett and her four librarians: Marjorie Emrick, senior; Emmalou Stitz, junior; Martha Ann Spitler, sophomore; and Lois Mansfield, freshmen. The students have made good use of the library and the necessary rules have been obeyed well.

For outside reading as entertainment remember that our library has many of the modern and best-sellers. "The Robe", "Tish", "One Foot in Heaven", "Mrs. Miniver", "Jane Eyre", "Bambi", "How Green Was My Valley", and "My Friend Flicka", are all to be found there. Most of these have been made into recent movies.

Students, don't forget the current magazines we have in our library. A partial list contains the "American", "The Saturday Evening Post", "Country Gentleman", "Boys Life", "The American Girl", "Time", "Readers Digest", "The American Home", "Infantry Journal, the official magazine of the Infantry, and "Air Force", the official magazine of the Air Corps. The latest issues are to be used during study periods, but those two or three months old may be taken out for two weeks.

Though we haven't added many new books this year, we did pick out a few that were especially needed. "Practice for the Army Tests" is for upper-classmen expecting to enter the armed forces. "Just Yells" contains new yells and helpful hints to be used by yell leaders and students. "The American Citizens Handbook" along with 100 pamphlets has proved a great help in planning programs. "Rome and the Romans" was added because of the new Latin series in Indiana. "Physical Fitness for Boys" and the "Commercial Library Atlas of the World" have also been added.

The good sample plays the speech class does not use will be placed in the library for use by students and

teachers. One of our other jobs is to keep posters on the bulletin board.

Take a look at the shelves full of books and glance at the card catalog. You will begin to see how your schoolwork can be made easier and your leisure hours more enjoyable. Make good use of the library, Students!! That is what it is for!!

S E N I O R P L A Y

Did you see "For Pete's Sake"? Approximately four hundred persons attended this three-act comedy and I'm sure that it was enjoyed by all.

Even though it was the first time for Miss Shortz and Mrs. Barnett to sponsor a play, we can all agree they did a grand job. The cast tried to show their appreciation by presenting to both of them costume pins.

Sometimes the Seniors just couldn't get their minds on the play and got a little out of hand, but usually things went pretty smooth.

The cast was:

Miss Sarah Peperdine	---Martha Jane Stouffer
Peter's Aunt	
Jasmine Jackson	-----Marjorie Emrick
Aunt Sarah's darky cook	
Cicero Murglethorpe	-----Robert Metzger
Dean of Elwood College

#### SYNOPSIS OF ACTS

Act I Living room of the Pepperdine mansion, about 5:30 o'clock of a June afternoon.

Act II Same as Act I. About an hour after the close of Act I,

Act III Same as previous acts. Two hours later.

We the Seniors wish to thank every one who helped to make the play a success.

#### JUNIOR PLAY

Did you see any Black Cats around Halloween? Approximately 350 people came to the High School Gym to see Black Cats, a comedy in three-acts.

This was the first year for the juniors of Linlawn to turn amateur actors and actresses. We had no high-priced make-up artists but Mrs. Barnett, Miss Shortz and Miss Keller worked it out among themselves.

Our sponsor was Miss Keller. This was her first time in directing a play. She was more nervous than her cast. I am sure though that the Junior Class wishes to thank her. We tried to show it by giving her a very pretty gold compact with her initials and Jrs. 43-44 engraved on it. By the way, if you ever drop in at Miss Keller's apartment ask her to show you the lovely furniture she received -- enough to furnish a whole house! (it was miniature)

About a week after giving the play at school we gave it at White's Institute. You couldn't have found a more appreciative audience. This time we really enjoyed giving it because we were more at ease.

The Cast was:

#### 4 H C L U B (GIRLS)

Enrollment in the girls club was higher this year with 30 girls in the Senior Club. In the Rich Valley Club there were 9 girls and 1 boy.

On the achievement list our clubs did very well. In the county judging contest Maxine Vandegrift, Elizabeth Pearson, Mary Anderson, Frances Custer, and Donna Rife placed among the first three winners in the various classes of judging.

In the District Contest held at Huntertown, Indiana Maxine Vandegrift tied for second place in the canning judging contest and Mary Frances Barnett was in the A group of the Demmonstration Contest.

At the County 4-H Fair the exhibitors from our clubs winning first's were--Mary Louise Mansfield, Rachel Dale, and Phyllis Renbarger in clothing; Elizabeth Pearson, Lavonne Shoemaker, and Martha Jane Stouffer in Food Preparation; Lillian Harnish, Diana Lawson, JoAnn Kroft, Mary Frances Barnett, Peggy Baer, Phyllis Renbarger, Frances Custer, and Sarah Elliott in Baking; Phyllis Renbarger, and Rachel Dale in Canning. Donna Rife and Jane Gant were outstanding on the Dress Revue. Ralph Dyson received second in both Baking and Canning exhibits.

Those exhibiting at the State Fair were--Peggy Baer, Phyllis Renbarger, Sarah Elliott, and Frances Custer in Baking; Phyllis Renbarger, Ralph Dyson, and Maxine Vandegrift in Canning; Mary Louise Mansfield had the first prize baking record book that went to the State Fair. Mary Frances Barnett took her demonstration on Soybeans to the State Fair.

From the Noble Township Mary Anderson of Chipewa and Frances Custer of Linlawn received merit trips to the Purdue Round-Up in June. These trips are won by the achievements of the club members.

Junior Leaders this year were Martha Jane Stouffer, Maxine Vandegrift, and Frances Custer.

Officers of the various clubs were:

Rich Valley: President- Sarah Elliott

Vice. Pres.- Peggy Baer

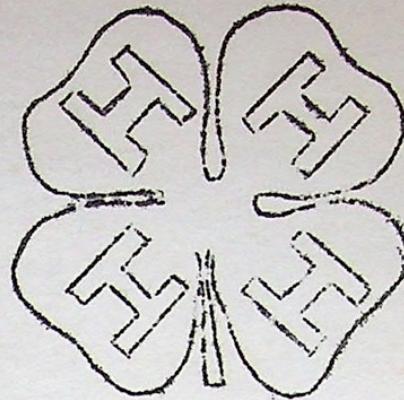

Sec. Treas.-Mary Frances Barnett

Linlawn Jr. Club:

President- JoAnn Kroft

Vice. Pres.- Phyllis Draper

Sec. Treas.-Frances Custer

Linlawn Sr. Club:

President-Martha Jane Stouffer  
Vice. Pres.-Donna Rife  
Sec. Treas.-Frances Custer

In 4-H Club work the main purpose is to have a youth organization where a person can meet friends and learn to know new things in his work. We have contests for fun, pleasure, and the knowledge we receive, and not for the glory of winning all the time.

There are many good 4-H members who didn't get firsts in the contests but they are the ones who do mighty fine work and keep the never-give-up-spirit in the 4-H Clubs.

Even though they may not have been the best ones, they have something to work hard for. In later years they will be glad that they kept working until they reached their goal and really achieved something worth while.

4 H C L U B (BOYS)

The Noble Township 4-H group certainly has done well in the way of achievement during the past year. Last year, just after school ended, the Noble Township judging teams went to Kosciusko County to participate in the annual district judging contest. The dairy judging team composed of Paul Yoder, Roger Dale, Dick Early, and Frances Custer won first place in competition with fifteen teams. Paul Yoder received the highest individual score in the contest. The livestock team did likewise, defeating sixteen teams. It was composed of Van Wilson, Burnell Barnett, Orville Chamberlain, and Gene Custer. Van Wilson was the highest individual scorer in livestock closely followed by Burnell, Gene and Orville. Both teams won the honor of going to the Purdue state contest October 1. The livestock and dairy teams placed fifth and fifteenth respectively out of approximately thirty teams. Burnell was highest scorer in the state in horse judging, which is a feat indeed. The following day the teams enjoyed the Purdue-Illinois football game.

During the summer, the 4-H boys of Chippewa and Linlawn had four meetings to plan summer activities for the 4-H fair in August.

The officers of the Linlawn Club were:

President-----Burnell Barnett  
Vice. Pres.-----Dick Early  
Sec. Treas.-----Roger Dale

At the County Fair the boys from Noble Township received many high prizes for their exhibits. The following is a list of winners in the different divisions of Boys Club Work.

Bob Metzger	Grand Champion Steer
Dick Early	Reserve Grand Champion Steer
Victor Odum	Best Shorthorn Steer of the Show
Wendell Snyder	Second Best Shorthorn Steer of the Show
Dick Early	Best Angus Steer of the Show
Roger Dale	Second best Angus Steer of the Show
Bob Metzger	Best Hereford Steer and Grand Champion

Not only did we win these prizes, but our club also won a trophy for having the best group of five steers three consecutive years. This year the steers were shown by Bob Metzger, Bob Higgley, Dick Early, Roger Dale and Victor Odum.

#### HOGS

Charles Hoover	Best Hampshire Gilt of the Show
Frances Custer	Best Berkshire Gilt
Frances Custer	Reserve Grand Champion Gilt
Gene Custer	Grand Champion Litter
Roland Roser	Reserve Grand Champion Litter

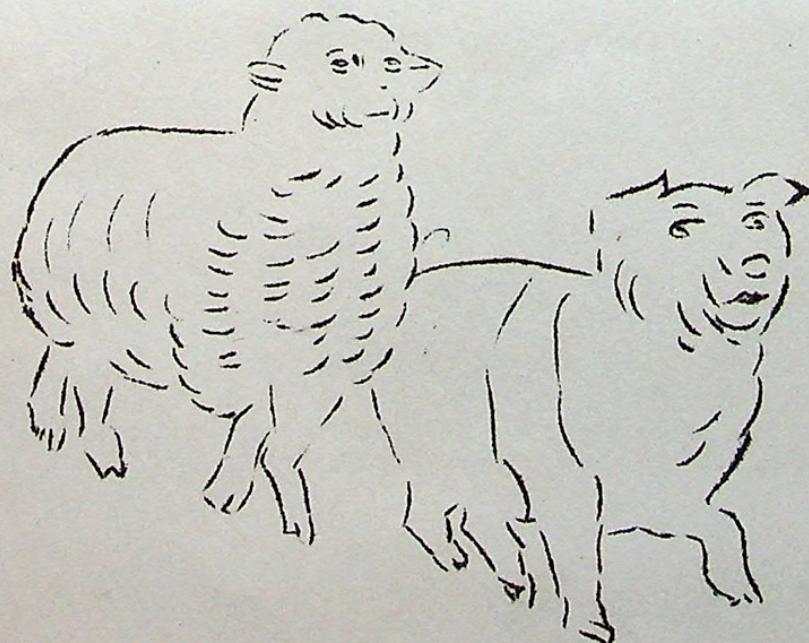

#### DAIRY

Bob Stouffer	Reserve Grand Champion Heifer
--------------	-------------------------------

We hope to do as well this year as we did last year. We are counting on fifty steers and fifty hogs to be shown in the 4-H fair in August.

The annual district judging contest will be held May 4. We will enter a livestock and dairy team and probably a crop team. There will be little change in any of these teams.

We held our annual agriculture class party April 5 at the Linlawn High School.

In the County tourney our team was defeated in their first game by Roann 35 to 24, but in the Sectional tourney our boys went to the semi-finals. They beat Roann in their first game 32 to 31, won over Somerset 40 to 38 and finally Wabash defeated the Pirates in the semi-finals 35 to 29.

FRESHMEN TEAM

We must also remember our Freshmen team, victorious in three of its four games. Their defeat was the Wabash game in which the team lost 25 to 17. That didn't discourage the boys because they went on to defeat White's Institute twice and in their last game won over Wabash 32 to 31.

The squad consisted of Grayston Campbell, Donald Wilson, Dean Coldren, Earl Turner, Phillip Ellis, Beach Whitaker, Clarence Green, and Chris Demos.

Grayston Campbell, Dean Coldren, Earl Turner, and Donald Wilson were also members of the Second Team.

## B A S E B A L L

It was in the second week of school when Coach Wilson called the baseball practice. Well pleased with the big turn out, he began immediately to try and put together a winning ball team.

The baseball team won three games and lost five, but two of these losses were extra inning games. Six Seniors will not appear in the lineup next fall. They are Bob Stouffer, Tom Bever, Vernon Waymire, Wendell Snyder, Bob Metzger, and Burnell Barnett. We hope the 1944 baseball team the very best of luck.

## Lewis Habegger Will Take Band Job at Nappanee School

Lewis Habegger, for the last three years music, band and commerce teacher at Linlawn High school, has resigned the position to become band instructor in the Nappanee High school, it was revealed Friday by Trustee Gloe C. Vrooman.

The trustee and other school officials endeavored to prevail on Mr. Habegger to reconsider the resignation, but he pointed out the Nappanee offer was a promotion he could not afford to overlook. Mrs. Habegger also has resigned as music and home economics teacher at Chippewa High school. As yet, the vacancies are unfilled.

Trustee Lee Roy Calaway and Trustee Asbury Summers report they are hiring Charles Emrick, South Whitley, as joint band instructor for LaFontaine and Somerset schools, provided he is not taken in the draft and can find a home either at LaFontaine or Somerset. Mr. Emrick previously taught in the LaFontaine school.

Mrs. Kenneth Stout, daughter of Mr. and Mrs. O. O. Brubaker, has been employed as third grade teacher at Somerset, filling the vacancy caused by the resignation of Mrs. Glenn Law. Mrs. Stout, Logansport, has nine years teaching experience, Trustee Summers reports.

### Lewis Habegger Will Take Band Job at Nappanee School

Lewis Habegger, for the last three years music, band and commerce teacher at Linlawn High school, has resigned the position to become band instructor in the Nappanee High school, it was revealed Friday by Trustee Gloe C. Vrooman.

The trustee and other school officials endeavored to prevail on Mr. Habegger to reconsider the resignation, but he pointed out the Nappanee offer was a promotion he could not afford to overlook. Mrs. Habegger also has resigned as music and home economics teacher at Chippewa High school. As yet, the vacancies are unfilled.

Trustee Lee Roy Calaway and Trustee Asbury Summers report they are hiring Charles Emrick, South Whitley, as joint band instructor for LaFontaine and Somerset schools, provided he is not taken in the draft and can find a home either at LaFontaine or Somerset. Mr. Emrick previously taught in the LaFontaine school.

Mrs. Kenneth Stout, daughter of Mr. and Mrs. O. O. Brubaker, has been employed as third grade teacher at Somerset, filling the vacancy caused by the resignation of Mrs. Glenn Law. Mrs. Stout, Logansport, has nine years teaching experience, Trustee Summers reports.
